Health & Vaccination

Policy

To protect each pet and maintain a healthy boarding environment for others, your pet must be flea and tick free.

Proof from your vet of the following current vaccines must be provided prior to admission:

Dogs

DHPP – given at least 2 weeks prior to check-in; renewed annually.

Rabies – given at least 2 weeks prior to check-in; renewed every 3 years for adult dogs.

Bordetella – given at least 72 hours prior to check in; renewed annually (recommended every 6 months).

***The Bordetella vaccine is mandatory, even if your veterinarian has exempted pet from other vaccines.**

Cats

FVRCP - given at least 2 weeks prior to check-in; renewed annually.

For the health of your pet, vaccinations should be given at the recommendation of your veterinarian.

For optimum care of your pet, we work with your vet while your animal is in our care.
